Notes for Larkin Lanter:

Born 1796;

When Larkin and Nancy were married they were each given their respective family Bibles. Very early in their marriage a fire destroyed their home and everything in it. The Bibles were gone forever. Right before Larkin died in 1887 another family Bible was started. It was passed through the generations ending in the possession of Edgar O.Harris. Edgar never had any children. Edgar and Marg had a number of family photos and the Family Bible they were going to pass on to me to add to the family history. For my birthday, Skeet gave me an antique Bible Box for the Bible. A year or so later Steven T. Lanter got the Bible from Edgar.

He married **Margarette Jane Wolf** 1872 in Grant County, Kentucky, daughter of Louis Wolf and Malinda Lemons. She was born Bet. 09 Sep 1841 - 1847 in Harrison County, Kentucky, and died 01 Feb 1923 in Crittenden, Grant County, Kentucky.

Notes for Allen Lanter:

17 June 1880 Lewis County Kentucky Census page 42 District 60.

Allan Lanter was listed as having an occupation of Wagoneer and that he, his wife and 2 children were born in Kentucky. They had a servant named Miracle Pancella who was 16 years old and attended school also.

A census record also indicates Margarette and Allan were married in 1862 which does not seem possible as Allan would only have been 12 years old. More than likely they were married in 1872. The inaccurate records may be because their first son was born in August of 1872. Another possibility is that Margarette was married in 1862 for the first time to W. H. Shields.

In 1920 Allen Margaret, Edward, Allie, his wife Bessie and their two children lived at Crittenden - Mt. Zion Road in Crittenden, Kentucky. This census was taken in January 1920. Later that same year is when Della Irene Robinson was indentured to the Lanter's to repay her fathers debts. That is when and how she met Edward Lanter. They were married in July 1920. Edward and Della then worked the farm owned by Allen and Margaret Lanter until 1930 when they moved to Elsmere, where Floyd was born in

February.

Also in 1930 the census shows Allen Lanter, age 79 in the Kenton County (Covington) Infirmary, listing has as a widower.

Burial: 26 Nov 1930, Crittenden, Grant County, Kentucky

Residence: 1930, Covington, Kenton, Kentucky

Notes for Margarett Jane Wolf:

In various census reports which prove Margarett's parentage there is a wide discrepancy of birth years for her, her parents and brothers and sisters usually 2 - 4 years difference. Her own death certificate listed her as being born in 1850 however the 1880 census she states she was 33 years old so she would have been born in 1847. This I believe is the correct birth year for Margarett Wolf Lanter.

In the 1920 census she states she is 78 vs. Allen being 69.

Margaret was married one before she married Allen. She was married to a W. H. Shield in probably 1862.

Margaret was a character of sorts. She wore a man's hat and smoked a stone pipe. She always had that pipe with her. She was accustomed to a spittoon also.

Notes for Minnie W. Lanter:
When Minnie was about 40 years old she had a son, William Marshall Rigdon. When William was less than a year old he was in the care of his Grandfather, Allen Lanter, when William fell into a hog scald in Crittenden, Grant County, Kentucky. Allen had a very difficult time living with William's death, coupled with the accidental shooting of a daughter-in-law shortly before. In the early 1980's there was a caretaker of the Crittenden Cemetery who knew of William's death, he also remembered Allen. He remembered how hard it was on Allen. What he remembered the most was Allen's eyes. The caretaker told us he had striking blue eyes like he had never seen since. He said Allen withdrew from the world after his grandson's death.

Notes for Irma Eichhorn:

Irma Eichhorn Lanter was very instrumental and inspirational on the family history. She was an absolute pleasure to work with, talk with and grow our trees together with. She captured a very special place in my heart through her warmth, smile and genuine love for family and family history. Upon her passing she her son lay out all family pictures and documents for me to take what I wanted. With Paul's approval I kept everything including family pictures from her side of the family in hopes of family homes for them in the future because at that time no had a real interest in them. Pictures of her family have been included with this history because of this very reason. She worked hard on the history and gave me great leads. Thanks to her I was able to get the picture of Larkin Lanter and leads that led me to the picture of Isaac Newton Lanter.

Irma you will always be remembered and loved.

Irma died on Palm Sunday.
